Wire rope for projector unit	1

Caution:

- Mounting should be done by a qualified technician.
- Make sure that the mounting (ceiling) area has sufficient strength.
- Read the enclosed mounting instructions thoroughly before starting.
- Do not use an electric screwdriver or impact driver to tighten screws. Use a torque driver or hexagon torque wrench and tighten screws to the torque specified in the instructions.
- When the product is no longer going to be used, have it disposed of quickly by a professional disposal service.
